

10 U SEMI PRIVATE TENNIS LESSONS

Semi Private Lessons are a fun and economical way to join a partner and get one-on-one instruction while having an opportunity to compete against one another. At Beach City Tennis Academy, students will receive 1 hour lessons each week where they get to test their abilities and skill progressions.

Semi-Private lessons are a great way for beginners to avoid the distractions of a bigger group. Intermediate players often benefit from these types of lessons as they learn to correct bad habits. Students should expect more intense physical and mental stimulation than they would receive in a group lesson as well.

At Beach City Tennis Academy we offer 12 convenient locations where we hold Semi Private lessons 7 days a week. Interactive drills and games are targeted at and similar skill levels to optimize the hour. That said we cater to all ages 5 years old and up.
