

GRAND SLAM CLINIC

Beach City Tennis Academy customized our traditional GS clinics and tailored them exclusively for our Community Classes. This class is a perfect fit for Team Tennis players who are currently involved in Jr. Varsity or Varsity. It's also ideal for USTA junior tournament players. The class includes drills and match play with high-speed, topspin ball control for adding more power. There is a focus on improving consistency, technique, strategy, and shot selection.

Grand Slam Clinics are strictly for ages 14-17. Designed for Advanced players to complement an athlete's ability to stay engaged in competitive point play rallies while learning and improving from other players. Mental toughness combined with physical performance are key ingredients to competing at a higher level. Therefore, the NTRP for the Grand Slam Clinics are strictly for levels 4.0+ players.

Our Grand Slam Community Classes are co-ed. The clinics average 6-8 players to minimize down time in between. These clinics are an affordable option for parents who want to their teen to compete and build their skills more rapidly. Our Elite USPTA Certified Instructors deliver the highest quality of junior coaching available. The BCT Academy coaching staff have obtained specialized training in junior high-performance accreditations to mentor young athletes who aspire to advance their USTA tournament rankings or team tennis levels.
